

Kentucky Statewide Trauma Symposium

2005

November 2-4

**Clarion Hotel and
Conference Center**

9700 Bluegrass Parkway
Louisville, KY

Jointly sponsored by:

UKHealthCare

University Hospital
Trauma Institute

KOSAIR
CHILDREN'S
HOSPITAL
A Part of Norton Healthcare

Course Co-Directors

Mary E. Fallat, M.D.
Professor and Director
Division of Pediatric Surgery
Department of Surgery
University of Louisville
School of Medicine
Trauma Chief
Kosair Children's Hospital
Louisville, Ky.

David S. Foley, M.D.
Assistant Professor
Division of Pediatric Surgery
Department of Surgery
University of Louisville
School of Medicine
Director of Burn Service
Kosair Children's Hospital
Louisville, Ky.

Glen A. Franklin, M.D.
Assistant Professor of
Surgery
Chief of Trauma
Department of Surgery
University of Louisville
School of Medicine
Director, Trauma Outreach
and Prevention Program
University of Louisville
Hospital
Louisville, Ky.

Paul A. Kearney Jr., M.D.
Professor of Surgery
Chief, Section of Trauma
and Critical Care
Department of General
Surgery
University of Kentucky
College of Medicine
Lexington, Ky.

Guest Faculty

Jeffrey S. Augenstein, M.D.
Co-Chief, Division of Trauma
and Surgical Critical Care
Director, William Lehman
Injury Research Center,
Ryder Trauma Center and
Trauma Intensive
Care Unit
Professor of Surgery
University of Miami
Miami, Fla.

Philip S. Barie, M.D., MBA
Chief, Division of Critical
Care and Trauma
Professor of Surgery and
Public Health
Weill Medical College of
Cornell University
Medical Director
Anne and Max A. Cohen
Surgical ICU
New York-Presbyterian
Hospital-Weill Cornell
Medical Center
New York, N.Y.

James "Red" Duke Jr., M.D.
Professor of Surgery
John B. Holmes Professor
of Clinical Sciences
University of Texas
Medical School at Houston
Houston, Texas

**Lenworth M. Jacobs,
M.D., MPH**
Professor and Chair
Department of
Traumatology and
Emergency Medicine
University of Connecticut
Health Center
Hartford, Conn.

Donald N. Reed Jr., M.D.
Professor of Surgery
Division of HepatoPancreatic
and Biliary Surgery
Michigan State University
Lansing, Mich.

David W. Tuggle, M.D.
Chair, Pediatric Surgery
Paula Milburn Miller
Children's Medical
Research Institute
Chief, Section of Pediatric
Surgery
Director, Pediatric Surgery
Residency Program
The Children's Hospital
Oklahoma University
Medical Center
Oklahoma City, Okla.

Kentucky Faculty

Ginger Alford, R.N.
University of Kentucky
Trauma Coordinator
University of Kentucky
Medical Center
Lexington, Ky.

Theresa Baker, R.N.
Trauma Outreach and
Prevention Coordinator
Trauma Institute
University of Louisville
Hospital
Louisville, Ky.

Andrew C. Bernard, M.D.
Assistant Professor of
Surgery
Division of General Surgery
University of Kentucky
College of Medicine
Lexington, Ky.

Tracey S. Corey, M.D.
Chief Medical Examiner
Commonwealth of Kentucky
Professor of Pathology
University of Louisville
School of Medicine
Louisville, Ky.

Sharon Rengers, R.N.
Kentucky Child Passenger
Safety Coordinator
Kentucky State Police
Governor's Highway
Safety Program
Child Advocate
Kosair Children's Hospital
Louisville, Ky.

J. David Richardson, M.D.
Professor of Surgery
Chief, Division of General
Surgery
Vice-Chairman, Department
of Surgery
University of Louisville
School of Medicine
Louisville, Ky.

David Seligson, M.D.
Professor of Orthopaedic
Surgery
Vice-Chairman,
Chief, Fracture Service
University of Louisville
School of Medicine
Director, Neurosurgery and
Orthopaedic Clinic
University of Louisville
Hospital
Louisville, Ky.

William S. Smock, M.D.
Professor of Emergency
Medicine
University of Louisville
School of Medicine
Police Surgeon
Louisville Metro Police
Department
Louisville, Ky.

**Paul S. Tiwana, D.D.S.,
M.D., M.S.**
Assistant Professor
Oral and Maxillofacial
Surgery
University of Louisville
School of Medicine
Louisville, Ky.

Carol Wright, R.N.
Trauma Coordinator
Taylor Regional Hospital
Campbellsville, Ky.

Faculty disclosure

All faculty members participating in CME activities sponsored by Norton Healthcare are expected to disclose to the activity audience any real or apparent conflict(s) of interest related to the content of their presentation(s). This policy is intended to make the audience aware of faculty's interests so an informed judgment may be shaped regarding the balance of content. Faculty members also are required to inform the audience when discussing off-label or unapproved uses of devices or drugs. Devices or drugs still in clinical trials should be identified as such and should not be portrayed as standard, accepted therapy.

Affiliation/Financial Interest	Name of Organization(s)
Grant/Research support	Dr. Barie: AstraZeneca Inc, GlaxoSmithKline, Wyeth Laboratories Dr. Bernard: Northfield Labs
Consultant	Dr. Barie: AstraZeneca Inc., Bristol Myers-Squibb Inc., Cadence Pharmaceuticals, Cubist Pharmaceuticals, Elan Corporation, Eli Lilly & Co. Inc., Ethicon Inc., Fujisawa Inc., GlaxoSmithKline, Merck & Co. Inc., Peninsula Pharmaceuticals Inc., Regent Biomedical Inc., Wyeth Laboratories Dr. Seligson: Stryker
Speakers' Bureau	Dr. Barie: Eli Lilly & Co. Inc., Merck and Co., Inc., Wyeth Laboratories Dr. Bernard: Wyeth, Pfizer
Stock Shareholder	None
Other financial or material support	None
Off-label/ Investigational use of product or procedure	Dr. Bernard: PolyHeme

NOTE: Drs. Augenstein, Corey, Duke, Fallat, Jacobs, Reed, Richardson, Smock, Tiwana, Tuggle, Mss. Alford, Baker, Rengers and Wright report no actual or potential conflicts related to this activity.

Dear Colleague,

On behalf of Kosair Children's Hospital, the University of Louisville and the University of Kentucky, it is our privilege to invite you to participate in the Kentucky Statewide Trauma Symposium 2005. Now in its second year in joint sponsorship, this event provides an opportunity for outstanding continuing education and renewal of the professional ties that bind our professional staffs.

The planning committee has selected topics meeting the expressed needs of practicing health care professionals in Kentucky and Southern Indiana. We believe you will find this symposium both informative and enjoyable. This program demonstrates our shared commitment to excellence in continuing education and the ongoing pursuit of providing the highest quality health care. Your support is greatly appreciated.

Planning Committee

Ginger Alford, R.N. (*University of Kentucky*)
Penne Allison, R.N. (*University of Kentucky*)
Theresa Baker, R.N. (*University of Louisville*)
Beth Bell (*University of Kentucky*)
Sandra Chambers, M.P.H. (*University of Kentucky*)
Carol Fout-Zignani, R.N., M.S.N. (*Norton Healthcare CME*)
Vicki Hardwick-Barnes, R.N., M.S.N. (*Kosair Children's Hospital*)
Donna Irmischer (*Norton Healthcare CME*)
Robin Marling (*Norton Healthcare CME*)
Debora L. Williams, R.N., B.S.N. (*Kosair Children's Hospital*)

(The Planning Committee and course co-directors have no relevant relationships with commercial interests that affect this activity.)

Pre-Conference Workshops

Pre-hospital Burns Course

Wednesday, Nov. 2

Location: Clarion Conference Center

Burns are a common cause of accidental death and injury, and experts know that proper pre-hospital care may enhance a burn patient's survival and decrease the risk or duration of long-term disability. The treatment of pre-hospital burns will be discussed.

7:30 a.m – Registration/Breakfast

8 a.m. to noon – Course

Objectives

1. Identify the role of medical control in managing the burn patient in the pre-hospital setting.
2. Determine the magnitude and severity of a burn injury.
3. Identify and establish priorities of emergency care in the pre-hospital setting.
4. Organize transfer and transport to appropriate facility.

Rural Trauma Team Development Course (RTTDC®)

Wednesday, Nov. 2

Location: Clarion Conference Center

This course was developed by the Rural Trauma Committee of the American College of Surgeons to train small rural hospital or clinic trauma teams in the team approach to the initial assessment and resuscitation of the injured patient and their transfer to definitive care.

7 a.m. – Registration/Breakfast

8 a.m. to 4:30 p.m. – Course

Objectives

1. Explain the purpose of the Rural Trauma Team Development Course® (RTTDC®).
2. Describe the concept of the trauma “team” approach to trauma care.
3. Describe the three course components of primary survey, transfer to definitive care, and secondary survey.

General Sessions

Conference Program

Thursday, Nov. 3

Clarion Conference Center (Grand Belle Hall)

Moderator: Mary E. Fallat, M.D.

7:00 a.m. Registration/Buffer Breakfast ~ Exhibits open

8:00 a.m. Welcome/Housekeeping

8:15 a.m. Opening Keynote: "My Prescription for Stress Management"
James "Red" Duke Jr., M.D.
DESIRED OUTCOME: Recognize that most of the stress we experience is self-imposed.

9:15 a.m. "Changing Paradigms in Abdominal and Chest Trauma Management"
J. David Richardson, M.D.
DESIRED OUTCOME: To acquaint pre-hospital personnel with changes in the management of chest/abdominal trauma.

10:00 a.m. Break ~ Exhibits open

10:30 a.m. "Pediatric Cranio-Maxillofacial Trauma: Primary Considerations"
Paul S. Tiwana, DDS, M.D., MPH
DESIRED OUTCOME: Gain appreciation for the scope and magnitude of cranio-maxillofacial injuries in children and young adults.

11:15 a.m. Lunch (on your own)

Afternoon Moderator: David S. Foley, M.D.

12:30 p.m. Afternoon Keynote: "Advanced Trauma Triage Strategies"
Jeffrey S. Augenstein, M.D., PhD.
DESIRED OUTCOME: Develop improved awareness to car crash injuries.

1:30 p.m. "The Forensic Evaluation of Gunshot Wounds: Does Size Matter?"
Williams S. Smock, M.D.
DESIRED OUTCOME: Identify the forensic evidence associated with contact, close, intermediate and distant gunshot wounds.

2:15 p.m. Break ~ Exhibits open

2:45 p.m. "Special Interest Groups in Trauma: Welcome to the ATV Belt"
Andrew C. Bernard, M.D.
DESIRED OUTCOME: Enhance appreciation for and contribution to ATV injury prevention.

3:30 p.m. "Damage Control Orthopaedics"
David Seligson, M.D.
DESIRED OUTCOME: Understand staged surgery.

4:15 p.m. Closing Keynote: "A History of the EMS"
James "Red" Duke Jr., M.D.
DESIRED OUTCOME: Appreciate the rapid development of modern EMS systems and how they have changed outcomes.

4:45 p.m. Evaluation/Adjournment

Friday, Nov. 4

Moderator: Glen A. Franklin, M.D.

7:00 a.m. Registration/Buffer Breakfast ~ Exhibits open

8:00 a.m. Welcome/Housekeeping

8:15 a.m. Morning Keynote
"Oklahoma City Bombing: Ten Years Later"
David W. Tuggle, M.D.
DESIRED OUTCOME: Understand the mechanisms of blast injuries.

9:15 a.m. "Transportation, Medical and Surgical Care in the War Zone: Advances in Operation Iraqi Freedom II"
Donald N. Reed Jr., M.D.
DESIRED OUTCOME: Increased awareness of military medical advances.

10:15 a.m. Break ~ Exhibits open

10:45 a.m. "Forensic Evaluation of Pediatric Injuries"
Tracey S. Corey, M.D.
DESIRED OUTCOME: Enhanced recognition of the "warning signs" of abuse.

11:30 a.m. Lunch (on your own)

Afternoon Moderator: Paul A. Kearney, M.D.

12:45 p.m. Afternoon Keynote: "End-of-Life Ethics and the Trauma Patient"
Lenworth M. Jacobs, M.D., MPH
DESIRED OUTCOME: The importance of understanding the difficult issues facing end-of-life decision making in the trauma patient.

1:45 p.m. "Injury Prevention Programs in Kentucky"
Theresa Baker, R.N.; Ginger Alford, R.N. and Carol Wright, R.N.
DESIRED OUTCOME: Heighten awareness of health care professionals on injury prevention programs available in Kentucky.

2:30 p.m. Break ~ Exhibits open

3:00 p.m. "Injuries to Children in Cars: The Problem, The Answers"
Mary E. Fallat, M.D. and Sharon Rengers, R.N.
DESIRED OUTCOME: Children will be properly restrained in an appropriate child restraint/booster.

3:45 p.m. "Infections of Trauma Patients"
Phillip S. Barie, M.D., MBA
DESIRED OUTCOME: Reduced incidence of infection following trauma.
(SPONSORED SPEAKER FROM MERCK PHARMACEUTICALS)

4:45 p.m. Evaluation/Adjournment

General Session Educational Objectives

Thursday, Nov. 3

1. Analyze and solve problems with calm and deliberation. (Duke)
2. List changes in the management of chest and abdominal trauma. (Richardson)
3. Describe the evolving anatomy of the pediatric facial skeleton and its implications for repair of traumatic injuries. (Tiwana)
4. Recognize the implications of pediatric cranio-maxillofacial trauma and its effect on future growth of the facial skeleton. (Tiwana)
5. Reduce the number of mis-triaged patients. (Augenstein)
6. Increase the recognition of occult injuries. (Augenstein)
7. Describe the characteristics associated with gunshot wounds of entrance and exit. (Smock)
8. Identify and properly collect forensic evidence associated with gunshot wounds. (Smock)
9. Identify special injury patterns and frequencies of ATV injuries in adolescents. (Bernard)
10. Recognize barriers to ATV injury prevention. (Bernard)
11. Describe the importance of staged surgery in damage control orthopaedics. (Seligson)
12. Recognize that the discipline of emergency medicine is constantly changing. (Duke)
13. Recognize what has occurred in the EMS realm in a very short time. (Duke)

Friday, Nov. 4

1. Describe various mechanisms of blast injuries. (Tuggle)
2. Portray the environment of an urban terrorism event. (Tuggle)
3. Demonstrate recent advances in provision of care to injured U.S. military personnel. (Reed)
4. List the warning signs of abuse. (Corey)
5. Describe the differences between end-of-life decision making in trauma and non-trauma patients. (Jacobs)
6. List the factors which will lead to overutilization of trauma facilities and intensive care units in the future. (Jacobs)
7. Identify at least two or three injury prevention programs in Kentucky. (Baker/Alford/Wright)
8. List available resources for program assistance and how to adapt individual programs to meet the needs of the target audience. (Baker/Alford/Wright)
9. Reduce injuries in motor vehicles by recognizing misuse of child restraints. (Rengers/Fallat)
10. Provide information for referral in local community for certified child passenger safety technicians. (Rengers/Fallat)
11. Recognize why trauma patients are at high risk of infection. (Barie)
12. Plan effective prevention and treatment of infection following trauma. (Barie)

Continuing Education Credits

Physicians

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of Norton Healthcare, the University of Louisville Hospital and the University of Kentucky. Accreditation: Norton Healthcare is accredited by the Kentucky Medical Association to provide continuing medical education for physicians.

Designation

Pre-Hospital Burns Course: Norton Healthcare designates this educational activity for a maximum of 4.5 hours in Category I credit toward the AMA Physician's Recognition Award.

Rural Trauma Team Development Course: Norton Healthcare designates this educational activity for a maximum of 7.50 hours in Category I credit toward the AMA Physician's Recognition Award.

General Sessions: Norton Healthcare designates this educational activity for a maximum of 11.50 hours (6.25 hours on Thursday, 5.25 hours on Friday) in Category I credit toward the AMA Physician's Recognition Award. Each physician should claim only those hours of credit actually spent in the educational activity.

For questions related to CME, contact Carol Fout-Zignani, director of Norton Healthcare CME, at (502) 629-8574, fax: (502) 629-6556, or e-mail: carol.fout-zignani@nortonhealthcare.org.

Nurses

Provider: Kosair Children's Hospital Expiration date: July 1, 2006

Pre-Hospital Burns Course

Wednesday, Nov. 2	4-0008-7-06-965	Approved by KBN for 5.4 (five point four) contact hours
-------------------	-----------------	---

Rural Trauma Team Development Course (RRTDC®)

Wednesday, Nov. 2	4-0008-7-06-964	Approved by KBN for 8.5 (eight point five) contact hours
-------------------	-----------------	--

General Sessions

Thursday, Nov. 3	4-0008-7-06-006	Approved by KBN for 7.5 (seven point five) contact hours
Friday, Nov. 4	4-0008-7-06-007	Approved by KBN for 7.5 (seven point five) contact hours

Kentucky Board of Nursing approval of an individual nursing continuing education program does not constitute endorsement of program content. Nursing participants shall attend entire session and complete the evaluation form. No partial credit can be given. Each attendee must provide license number, employee ID (for Norton Healthcare employees) and/or Social Security number at time of registration.

For questions related to nursing credit, contact Debora Williams, clinical education at Kosair Children's Hospital, at (502) 629-7359, fax: (502) 629-4912, or e-mail: debbie.williams@nortonhealthcare.org.

Emergency Medical Technicians and Paramedics

Education credit will be provided by the Kentucky Board of Emergency Medical Services and the Kentucky Emergency Medical Services for Children Project. A certificate will be provided to each attendee. For questions related to EMT/paramedic credit, contact Tom Taylor, Kentucky Board of EMS, at (502) 564-8963, or e-mail: tomd.taylor@ky.gov.

Radiologic Technologists

The Kentucky Cabinet for Health Services, Radiation Health Branch, approves 12 KCE credits (for the general sessions) to radiologic technologists who hold an X-ray operator's license in the state of Kentucky.

Respiratory Therapists

Thursday, Nov. 3	Approved by the Kentucky Board of Respiratory Care for four (4) CEUs
Friday, Nov. 4	Approved by the Kentucky Board of Respiratory Care for four (4) CEUs

Each therapist will receive a certificate of attendance after the activity.

Other Allied-Health Professionals

All other disciplines (i.e., OR techs, etc.) for whom preapproval has not been achieved will be provided a certificate of attendance after the symposium. Each of these professionals will be responsible for submission to their professional boards if credit is desired.

General Information

Target Audience

This program is directed toward physicians, nurses, nurse practitioners, physician assistants, emergency medical technicians, paramedics, respiratory therapists, radiology technicians, and other health care providers in the specialties of anesthesiology, critical care, emergency medicine, family practice, pediatrics, and surgery – general, neuro, orthopaedics, pediatric, plastics.

Location and Accommodations

The Clarion Hotel and Conference Center is conveniently located off I-64, which is adjacent to Bluegrass Industrial Park, minutes from golf, shopping and the area's finest dining. The property also is accessible to these major attractions: the Louisville Zoo, Six Flags Kentucky Kingdom amusement park, Extreme Park, Louisville Slugger Museum, Louisville Science Museum, Churchill Downs, the Belle of Louisville and Waterfront Park. A block of rooms is available in the hotel at the group rate of \$69 (standard room) or \$99 (suite), available only until 3 p.m., Oct. 10, 2005. Please mention that you are attending the "Trauma Symposium" to obtain the conference rate. Parking will be available in the attached parking lots. Reservations and cost are the responsibility of the individual and may be obtained by calling The Clarion Hotel at (866) 246-2021. For both the workshops and general sessions, we suggest you bring a sweater or jacket in order to maximize your comfort during your time with us.

Driving Directions

I-64 Westbound (From Frankfort/Lexington)

Exit 15 (Hurstbourne Parkway). Take a left at traffic light on Hurstbourne Parkway. Go the second light, turn left on Bluegrass Parkway. Turn right on Plantside Drive.

I-71 Southbound (From Cincinnati)

I-71 South to I-264 West Watterson Expressway. Take I-64 East to Exit 15 (South Hurstbourne Lane exit). Follow the signs to Industrial Park to traffic light. Proceed straight, crossing Hurstbourne Parkway on Bluegrass Parkway. Turn right on Plantside Drive.

I-65 Northbound (From Nashville)

I-65 North to I-264 Watterson Expressway to I-64 East, Exit 15 (Hurstbourne Parkway). Follow the signs to Industrial Park to traffic light. Proceed straight, crossing Hurstbourne Parkway on Bluegrass Parkway. Turn right on Plantside Drive.

I-65 Southbound (From Indiana)

I-65 southbound to I-64 East, exit 15 (Hurstbourne Parkway). Follow the signs to Industrial Park to traffic light. Proceed straight, crossing Hurstbourne Parkway on Bluegrass Parkway. Turn right on Plantside Drive.

Special Needs Statement

Norton Healthcare CME is committed to making its conference accessible to all individuals. If you have a disability, check the "disability accommodations needed" box on the registration form. Please attach a description of any auxiliary aids or services (identified in the Americans with Disabilities Act) which might be needed. Advance notification of any special needs helps us better accommodate your needs. Return all to our office no later than Oct. 10, 2005. Reasonable accommodations will be made.

Registration Fees

Pre-Session Courses

Pre-hospital Burns Course: Cost to each attendee is ***\$30**.

Cost includes breakfast, break, CE credit and syllabus.

Rural Trauma Team Development Course ©: Cost per attendee is ***\$50**.

Cost includes breakfast, box lunch, breaks, CE credit and syllabus.

*A LIMITED number of scholarships for these two pre-conference workshops may be available through your HRSA Regional Planning Committee. Contact the emergency preparedness coordinator in your local hospital or the bioterrorism planner covering your health department for how to contact your HRSA Regional Planning Committee.

General Sessions

Physicians

Both Thursday and Friday (Cost includes two breakfasts, four breaks, CME credit and syllabus for each day)

\$250 per person (Before Oct. 2, 2005)

\$300 per person (After Oct. 2, 2005)

One Day Only (Cost includes one breakfast, two breaks, CME credit and syllabus)

\$175 per person (Before Oct. 2, 2005)

\$200 per person (After Oct. 2, 2005)

Nurses/Physician Assistants

Both Thursday and Friday (Cost includes two breakfasts, four breaks, CE credit and syllabus for each day)

\$160 per person (Before Oct. 2, 2005)

\$190 per person (After Oct. 2, 2005)

One Day Only (Cost includes one breakfast, two breaks, CME credit and syllabus)

\$110 per person (Before Oct. 2, 2005)

\$120 per person (After Oct. 2, 2005)

Paramedics/EMTs/Radiation Techs/Other

Both Thursday and Friday (Cost includes two breakfasts, four breaks, CE credit and syllabus for each day)

\$105 per person (Before Oct. 2, 2005)

\$115 per person (After Oct. 2, 2005)

One Day Only (Cost includes one breakfast, two breaks, CME credit and syllabus)

\$80 per person (Before Oct. 2, 2005)

\$85 per person (After Oct. 2, 2005)

Employees of UK or UofL Hospitals or Kosair Children's Hospital

Find your classification above. Subtract the \$20 discount from the General Session costs. Same registration deadlines apply.

University of Louisville/University of Kentucky

Students/Resident/Interns in the Colleges/Schools of Medicine and Nursing \$15 per person per day to cover costs of food and syllabus. Please complete and return Registration Form. (Accommodations for walk-in registrations cannot be guaranteed.)

Confirmation of Registration/Cancellation of Registration

All registrants will be sent a confirmation if registration received prior Oct. 24, 2005.

Registration fee is refundable if cancelled by participant prior Oct. 24, 2005, minus a \$25 cancellation fee. Should the sponsors cancel this conference, registration fees will be reimbursed in full. However, no sponsor is responsible for any other costs incurred by the participant. Registration fees are nonrefundable after Oct. 24, 2005.

Acknowledgments

Norton Healthcare, the University of Louisville and the University of Kentucky gratefully acknowledge the following levels of support for this conference at time of print:

Platinum (\$3,000 and above)

Children's Hospital Foundation
Kentucky Hospital Association (HRSA)
LifeNet Air Medical Services
Merck Pharmaceuticals

Gold (\$1,500 to \$2,999)

Convatec
StatCare
Wyeth Pharmaceuticals

Exhibitors (\$400 to \$750)

Cardinal Hill Healthcare System
Cook Incorporated
Dale Medical Products
Ethicon Products
